Study Tasmania

International students come to Tasmania for high quality Australian education, modern facilities, and vibrant and safe cities that open doors to lifelong opportunities.

When students choose to study in Australia's southernmost and only island state, they choose the 'Tassie' lifestyle – refreshing, relaxed and full of adventure.

Tasmania's cities are in close proximity to our stunning natural environment. Most international students are based in one of our two major cities – Hobart in the south or Launceston in the north.

Access to Tasmania is easy. We are a short flight from Australian capital cities, the shortest being from Melbourne, which is around 50-60 minutes to the capital, Hobart. There are over 30 flights a day into Hobart.
