

Hello from Tasmania

Study Tasmania is your guide to studying, working and living in Tasmania.

What we do

We can help you have an enriching education and a fulfilling career in Tasmania and globally. Our resources help you to find work while you are studying, and preparing for your future career.

Career coaching

You can access free courses and events that focus on the skills needed to successfully apply for a job and succeed in the workplace.

Employability training

You can take part in free workshops, hospitality training, webinars from industry experts and engage in networking events to boost your chances of finding a job in your preferred area.

Student wellbeing and support

We host free webinars and events designed to support your wellbeing during and after study.
